**Romans 8:19-21** ESV “For the creation waits with eager longing for the revealing of the sons of God. For the creation was subjected to futility, not willingly, but because of him who subjected it, in hope that the creation itself will be set free from its bondage to decay and obtain the freedom of the glory of the children of God.”

*“People have told me they can’t get excited about the New Jerusalem because they don’t like cities. But this city will be different—it will have all the advantages we associate with earthly cities but none of the disadvantages. The city will be filled with natural wonders, magnificent architecture, thriving culture—but it will have no crime, pollution, sirens, traffic fatalities, garbage, or homelessness. It will truly be Heaven on Earth. If you think you hate cities, you’ll quickly change your mind when you see this one.”*
